

Flashpoint FlashBack Junior Retro Camera Flash, Black

\$ 59.00

- Perfect for the Deja Vu photographer with a miniature camera
- Slips conveniently in pockets or shoulder bags
- Convenient Flash with GN 40ft / 12m @ISO 100
- Bring back the memories of a non TTL strobe with user controlled Manual flash output
- Fixed 28mm bar flash head to spread the light gently and evenly
- Set the GN wheel scale once, and the distant chart guides the way to perfect snaps every time
- Uses the universally available and inexpensive AAA 1.5V battery
- Full power recycle time of fewer than 4 seconds
